JOHN SMELTZER is a member of the firm's Business and Real Estate practice groups. He represents a wide range of businesses with their corporate and real estate needs, including zoning and land use. He has represented developers in the acquisition, financing and leasing of retail shopping centers, commercial office buildings, medical office buildings, single family residential communities, condominium communities and industrial developments. A significant part of his practice involves golf course development and the representation of developers, golf course architects and professional golfers. He is corporate counsel to the Professional Golfers Association of America-Indiana Section, the Indiana Golf Association, Inc. and the Indiana Golf Foundation. Mr. Smeltzer also has extensive experience in the sale and purchase of businesses, collection law and construction law.
