The Department of Commerce is extending again the deadline that was contained in our September 28 2007, notice regarding prevailing wage pension plans. The effective date is now April 1, 2008.

Please note that this extension addresses pension plans only and has no affect on the calculation formula laid out in the September 28, 2007, notice for any other fringe benefits.

Sincerely,

A handwritten signature in black ink that reads "Robert S. Kennedy". The signature is fluid and cursive.
