

Divorce, Family Law Overview

Attorneys in Taft's Family Law practice represent clients in all aspects of family law matters, including divorce, dissolution of marriage, custody and premarital agreements.

We have extensive experience in the practice, including not only litigation of contested matters, but also alternative dispute resolution processes such as mediation, collaborative law and arbitration. Our areas of experience include:

- complex business valuation issues
- the tax treatment and division of qualified and non-qualified retirement benefits
- valuation and division and distribution of stock options and deferred compensation
- analysis of complex executive compensation arrangements
- tax considerations related to the division and disbursement of property
- determination of spousal and child support, especially in high income cases
- issues related to allocation of parental rights, parenting time and "custody"
- negotiation of and enforcement of Separation Agreements, Shared Parenting Plans and Divorce Decrees

Three of the group's partners are certified by the Ohio State Bar Association as specialists in Family Relations Law. Those partners are also fellows of the prestigious American Academy of Matrimonial Lawyers.
